

Project Superintendent

Brent Fair

620-326-8592

Brent is an experienced Remodel Superintendent and has been with Zernco since November 2015. Brent has the ability to guide and manage subcontractors, suppliers and Zernco carpenters while effectively communicating with owners and architects.

Brent is a hands-on Superintendent and has the ability to self-perform various trades due to his vast amount of knowledge in the remodel divisions of commercial construction. His main responsibilities include on-site coordination of all subcontractors and suppliers, managing to the schedule for an on time completion, and monitoring onsite safety, and quality control.

PROJECT RESPONSIBILITY:

Project Superintendent

CERTIFICATIONS:

OSHA30 Certification
